Hiring Manager

Dear Hiring Manager,

I am excited to apply for the Remote Appointment Setter position. With extensive experience in high-volume cold calling, appointment setting, and remote customer engagement, I am confident in my ability to consistently book 10-20+ qualified roofing appointments per week and help drive your team's success.

At Best Buy, I managed both inbound and outbound calls across multiple queues, consistently ranking #1 in call center performance and maintaining 100% customer satisfaction scores. My ability to quickly build rapport, handle objections, and qualify leads allowed me to exceed appointment-setting targets and deliver results under pressure. I thrive in commission-driven environments and am motivated by the opportunity to maximize my earnings through performance.

I am highly resilient and comfortable with rejection, having developed a thick skin and a results-oriented mindset throughout my career. My experience includes developing and automating lead management workflows, ensuring that every call is handled efficiently and professionally. I am disciplined in remote work, self-motivated, and eager to take on the challenge of booking appointments at scale.

Based on my previous roles, I have averaged 15-20 appointments per week and am confident I can meet or exceed your targets. I am excited by the potential for growth, bonuses, and the opportunity to build a virtual business within your organization.

Thank you for considering my application. I look forward to discussing how my skills and experience can contribute to your team's continued success.

Sincerely,

Timothy Inman
